

Chapter11 Instructions

Read chapter11 carefully. You may also find it helpful to review the PowerPoint slides before answering the Review Questions. Be sure to read the Hints and help section.

Watch the videos. The links are in Moodle.

Review Questions

Complete the Review Questions at the end of the chapter. Take the time to write down your answers on a sheet of paper or mark them in your book before answering the Review Questions in Moodle.

You have two attempts to complete the Review Questions in Moodle. Moodle will accept your highest score if you take the quiz more than once.

Exercises

Fixt and Modify

Complete all of the debugging (fixit) and code modification (modify) exercises. They are located in your **webtech/coursework/chapter11** folder.

You do not need the `number_format()` function for the Modify exercises.

Coding

You do not need the `number_format()` function for the coding exercises.

Complete the following coding exercises. You will find these exercises at the end of the chapter.

3) Orders

4) Parking

5) City Survey

6) Seating

Submit your work

- Zip up the chapter11 files and name the zipped file, **yourLastName-firstName-ch11.zip** and submit it in Moodle.
- Your zipped file must include all fixit, modify, and code completion exercises.
- Include any other necessary files such as **samples.css** and **text** files.
